MANAGEMENT DISCUSSION AND ANALYSIS

Purbasha Resources Limited is a Non-Systematically Important Non-Deposit Taking, Non-Banking Financial Company (NBFC-ND) registered with the Reserve Bank of India (RBI) now classified as Investment and Credit Company under Base Layer as per the Scale Based Regulations introduced by RBI. The principal business activity of the Company is making investment and giving loans. The Company invests in both listed and unlisted companies. The entire business of the Company deals in two segments – dealing in shares and financing. During the year under review, the total market value of quoted investments is ₹ 1550.00 lacs as compared to ₹ 1330.75 lacs in the Previous Year. The total book value of investments is ₹ 288.56 lacs as compared to ₹ 276.60 lacs in the Previous Year. The interest income on loans and advances is ₹ 29.24 lacs as against ₹ 39.90 lacs in the Previous Year. The Company endeavours to evaluate opportunities considering the macro economic conditions both globally and domestically.

INDIAN ECONOMY OVERVIEW

The FY 2023 began on a mixed note at one side there was pre-pandemic growth path and on the other side inflationary trends, supply chain disruptions emanating from China, and the continuing Russian invasion of Ukraine. The Indian economy faced multiple challenges like rising international crude prices coupled with domestic weather conditions of excessive heat and unseasonal rains kept food prices high, inflation etc. Major areas of concern for the economy were elevated commodity prices leading to a depreciation of the Indian rupee, higher retail inflation (both core and food inflation) leading to the RBI raising interest rates and rationalising systemic liquidity, and a rising current account deficit.

India was quick to get back on the pre-pandemic growth path, and in the face of global headwinds, there is one bright spot - India. By most standards, India sailed through 2022-23 relatively unscathed and has really come out as a clear outperformer. Measured in dollars at current prices, India is now the world's fifth biggest economy surpassing United Kingdom. Gross Domestic Product (GDP) as per the Second Advance Estimates grew at 7.2% in FY 2023 compared to 9.1% in FY 2022.

Keeping, however, the global uncertainties and high commodity prices in perspective, this is considered commendable. Growth was underpinned by strong investment activity bolstered by the government's capex push and buoyant private consumption. High GST and direct tax collections have provided the government with necessary ammunition to step up its capital expenditure, cushion the impact of the impending global slowdown and keep the economy buoyant. The credit growth also saw revival as a result of improvements in asset quality of the banks and other financial intermediaries. RBI played a key role in tackling the risks arising because of capital flight and mounting inflation. It took measured increase in the key interest rates to continue growth momentum simultaneous to tackle the inflation.

OUTLOOK

The role of Non-banking financial institutions has been commendable with respect to credit intermediation in India as an alternative to bank financing, as NBFCs specialize in offering loans to niche areas and cater to specific sectors. After several upheavals caused by COVID-19, NBFCs have returned to normalcy.

The banking and non-banking sector in India has witnessed significant market driven and regulatory events in the last decade. Cumulatively, these have had a profound impact on the industry. Some of the noteworthy developments include the issuance of new bank licences for universal banks, introduction of a new category of banks (small finance banks and payment banks); insolvency processes and the resolution of a few large non-performing assets (NPA) situations and consolidation of public sector banks (PSBs), etc.

The RBI owing to increasing importance of NBFCs has increased regulatory oversight such as (i) vigil over asset-liability management practices, (ii) maintaining liquidity ratios, (iii) increased reporting requirements, and (iv) Scale-Based Regulation, have led to NBFCs adopting practices in line with banks. It appears almost certain that larger NBFCs that have the potential to systematically influence the overall banking and financial services system may now enjoy less of a regulatory arbitrage and be subject to a governance framework akin to banks.

Further, ongoing stress in public sector banks because of increasing bad debt, lending in rural areas etc. has provided NBFCs with the opportunity to increase its presence. Stress in public sector units (PSUs), underlying credit demand, digital disruption for MSMEs and SMEs as well as increased consumption and distribution access and sectors where traditional banks do not lend are major reasons for the switch from traditional banks to NBFCs.

OPPORTUNITY AND THREATS

Digital ecosystem development pushed by the government as well as regulators and other market participants offer opportunities to provide better customer experience and become more efficient. India's domestic consumer market is experiencing rapid growth, alongside its significant industrial sector, establishing itself as an attractive investment hub for MNCs. This is because of economic recovery post pandemic effect, India is also emerging to be a global hub for startups, attracting substantial foreign investments. Being an NBFC, we are exposed to various external factors, which directly affect sustainability and profitability. The most prominent risks are volatile market situation, possibility of borrowers defaulting on their loan repayments, geo-political condition, tightening regulations for NBFCs, inflation which could adversely affect the business.

RISKS AND CONCERNS

Risk management forms a vital part of your Company's business and your Company is cognizant of the prominent role it plays in its long-term success. As an NBFC your Company is exposed to credit, liquidity, operational, human, market including interest rate risk. It continues to invest in talent, processes and emerging technologies to build advanced risk management capabilities. The FY 2022-23 has seen various geo-political crisis and economic disruptions, however with a strong risk framework your Company has succeeded in creating a stable risk metrics.

Further, unforeseen natural disasters and geopolitical problems may also have an adverse impact on the Company's business. The Company takes all measures to address all possible risks and mitigate them effectively.

INTERNAL CONTROL SYSTEMS

The Company has an effective internal control system to ensure reliable financial reports, operating effectiveness and overall efficiency. All its activities comply with applicable laws and regulations. The Board of Directors of the Company is responsible for ensuring that internal financial controls have been laid down by the Company and that such controls are adequate and operating effectively. The Company has adequate internal control systems proportionate with the size and nature of its business being framed in a manner which ensures optimum resource utilisation and strict compliance with all statutes. The Audit Committee reviews the adequacy of the internal control systems and follow-up actions are implemented immediately, if required.

HUMAN RESOURCES

The Company firmly believes that Human Capital is its most important asset. The company believes in retaining talent and to foster a work culture that is always committed to providing the best opportunities to employees to realize their potential.

INDEPENDENT AUDITOR'S REPORT

To The Members of Purbasha Resources Limited

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Purbasha Resources Limited** ("**the Company**") which comprises the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss, the Statement of changes in Equity and statement of cash flows for the year then ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit, total comprehensive income, changes in Equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that no key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss, including other comprehensive income, statement of changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid standalone financial statements comply with the IND AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

PURBASHA RESOURCES LIMITED
ANNUAL REPORT 2022-2023

- f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- g. In our opinion and to the best of our information and according to the explanation given to us, the remuneration paid to the Managing Director during the year is in accordance with the provisions of section 197(6) of the Act.
- h. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries [Refer Note No: 32(xi)(A) to the Standalone financial statement];

(b) The Management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries [Refer Note 32(xi)(B) to the Standalone financial statements];

(c) Based on such audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided in (a) and (b) above, contain any material misstatement.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) Since the Company has no Intangible Assets, the clause relating thereto is not applicable.
- (b) The Property, Plant and Equipment of the company have been physically verified by the management at reasonable intervals during the year and no material discrepancies were noticed on such verification.
- (c) According to the information and explanation given to us, there was no immovable property, hence the clause relating thereto is not applicable.
- (d) The Company has not revalued its Property, Plant and Equipment during the year.
- (e) According to the information and explanation given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder during the year. Accordingly the clause relating thereto is not applicable to the Company.
- (ii) (a) The management has conducted verification of inventory (stock of shares) at reasonable intervals during the year, in our opinion, the coverage and procedure of such verification by the management is appropriate. There were no discrepancies.
- (b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets and hence, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) During the year the company has made investments and granted unsecured loans or advances in the nature of loans, to companies, firms or any other parties. Further the Company has not given any guarantee nor provided any security.
 - (a) The Company is a Non-Banking Finance Company and one of its principal business is to give loans. Accordingly, provisions of paragraph 3(iii)(a) of the Order are not applicable to the Company.

PURBASHA RESOURCES LIMITED

ANNUAL REPORT 2022-2023

- (b) According to the information and explanation given to us, the investments made and the terms and conditions of the grant of all loans and advances in the nature of loans are not, prima facie, prejudicial to the company's interest.
- (c) The schedule of repayment of the principal amount and the payment of the interest have not been stipulated, but the receipt of the principal amount and the interest is regular.
- (d) According to the information and explanation given to us, no amount is overdue in respect of loans given by the Company.
- (e) The Company is a Non-Banking Finance Company and one of its principal business is to give loan. Hence, the provisions of paragraph 3(iii)(e) of the Order are not applicable to the Company .
- (f) The company has granted the following loans which are repayable on demand. No loans were granted to any related party or Promoters of the Company.

Aggregate amount	Percentage thereof to the total loans granted	Aggregate amount of loans granted to Promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013
₹ 508.50 lakhs	100%	Nil

- (iv) The Company has not advanced loans or made investments in or provided guarantee or security to parties covered by section 185 and section 186 is not applicable to the Company. Hence reporting under paragraph 3(iv) of the Order is not applicable.
- (v) The Company, being a Non-Deposit taking NBFC, has not accepted any deposits or amounts which are deemed to be deposits during the year and accordingly, the provisions of clause 3(v) of the Order is not applicable. Further no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal against the Company in this regard.
- (vi) To the best of our knowledge and belief, the Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's business activities. Accordingly, the provisions of clause 3(vi) of the Order is not applicable.
- (vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

Annexure “B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Purbasha Resources Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the Internal Financial Controls over Financial Reporting of **Purbasha Resources Limited** (“the Company”) as of March 31, 2023 in conjunction with our Audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS’ RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s Internal Financial Controls over Financial Reporting based on our Audit. We conducted our Audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an Audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the Audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our Audit involves performing procedures to obtain Audit evidence about the adequacy of the Internal Financial Controls System over Financial Reporting and their operating effectiveness. Our Audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of Internal Financial Controls over Financial Reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor’s judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error. We believe that the Audit evidences we have obtained is sufficient and appropriate to provide a basis for our Audit opinion on the Company’s Internal Financial Controls System over Financial Reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of Financial Reporting and the preparation of Financial Statements for external purposes in accordance with Generally Accepted Accounting Principles. A Company's Internal Financial Control over Financial Reporting includes those Policies and Procedures that: (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1.	General corporate information
	PURBASHA RESOURCES LIMITED ('the Company'), incorporated in the year 1980, is a registered Non Banking Financial Company, engaged in providing finance and dealing in shares and securities. The Company is listed at Calcutta Stock Exchange Limited.
	The functional currency and presentation currency of the Company is Indian Rupee ("₹") which is the currency of the primary economic environment in which the Company operates.
2.	Summary of Significant Accounting Policies
2.01	Statement of Compliance
	The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standard) Rules, 2015. The financial statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013. Further, the Company has complied with all the directions prescribed for Non-Banking Financial Companies (NBFCs).
2.02	Basis of Preparation and Presentation
	These Standalone financial statements of the Company are prepared under the historical cost except for certain financial instruments that are measured at fair value at end of each reporting period. Historical cost is generally based on fair value of the consideration given in exchange for goods and services.
2.03	Use of Estimates
	The preparation of separate financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the separate financial statements and the reported amounts of income and expense for the periods presented.
	Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.
2.04	Revenue Recognition
	i) Derivative Income
	In respect of derivative contracts gains/losses on settlement are recognised in the profit and loss statement.
	ii) Dividend and Interest Income
	Dividend income is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and amount of income can be measured reliably).
	Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition.

	Sale and purchase of shares and securities are recognised on transfer of significant risks. Sale is stated at net of taxes and charges on transactions while purchases are inclusive of transaction charges and taxes.
2.05	Borrowing Costs
	Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use.
2.06	Employee Benefits
	Short-term Benefits
	Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.
2.07	Taxation
	i) Current Tax
	Current tax is payable based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Standalone statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.
	ii) Deferred Tax
	Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Standalone financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that is probable that taxable profit will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.
	Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries, joint ventures and associates, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from the deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which the benefits of the temporary difference can be utilised and they are expected to reverse in the foreseeable future.
	The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.
	Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.

	iii) Minimum Alternate Tax
	Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is recognised as an asset in the balance sheet when there is convincing evidence that the Company will pay normal income tax during the specified period and it is probable that future economic benefit associated with it will flow to the Company.
	iv) Current and deferred tax are recognised in profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. The current and deferred tax arising from the initial accounting for business combination, are included in the accounting for the business combination.
2.08	Property, Plant and Equipment
	Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.
	The Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 1, 2019 measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.
2.08.1	Depreciation
	Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual value using straight line method over the useful lives of the assets estimated by the company based on internal evaluation and is recognised in the Profit and Loss Account.
2.09	Impairment of Assets
	At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets (other than goodwill) to determine whether there is any indication that those assets have suffered any impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.
	Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.
	Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset for which the estimates of future cash flows have not be adjusted.
	If the recoverable amount of an asset or cash generating unit is estimated to be less than the carrying amount, the carrying amount of the asset or cash generating unit is reduced to its recoverable amount. An impairment loss is recognised immediately in profit and loss.

PURBASHA RESOURCES LIMITED

ANNUAL REPORT 2022-2023

	When an impairment loss subsequently reverses, the carrying value of the asset or cash generating unit is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset or cash generating unit in prior years. Any reversal of an impairment loss is recognised immediately in profit and loss.
2.10	Inventories
	Inventories are valued at the lower of cost and the net realisable value.
2.11	Provisions, Contingent Liabilities and Contingent Assets
2.11.01	Provisions
	Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.
	The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).
	When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.
2.11.02	Contingent Liabilities and Assets
	Contingent liability is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or is a present obligation that arises from past events but is not recognised because either it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or a reliable estimate of the amount of the obligation cannot be made. Contingent liabilities are disclosed and not recognised. Contingent assets are neither recognised nor disclosed.
2.12	Operating Segment
	The Company is dealing with two segment of dealing in shares and securities and finance.
3.	Financial Instruments
3.01	Classification, Initial recognition and Measurement
	Financial assets and financial liabilities are recognised when a Company entity becomes a party to the contractual provisions of the instruments.
	Financial assets and financial liabilities are initially measured at fair value. Transactions costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transactions costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognised immediately in profit and loss.
	Equity Instruments issued by the Company are recorded at proceeds received, net of direct issue cost.

3.02.	Derivative Financial Instruments
	Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately.
3.03.	Derecognition of Financial Assets and Financial Liabilities
	The company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expires or it transfers the financial asset and substantially all the risk and reward of ownership of the asset to another entity. Financial liabilities are derecognised when these are extinguished i.e. when the obligation is discharged, cancelled or has expired.
3.04.	Impairment of Financial Assets
	The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind AS, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.
3.05.	Recent Accounting Pronouncements
	Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31 March 2023 to amend the following Ind AS which are effective from period starting 1 st April, 2023:
	<u>Ind AS 107 - Financial instruments : Disclosures</u> This amendment adds to the amendments in Ind AS 1 and specifies that material accounting policy information needs to be disclosed. It also specifies that information about the measurement basis (or bases) used for financial instruments is expected to be material information. Prior to the amendment, Ind AS 107 required an entity to disclose significant accounting policies, comprising the measurement basis (or bases) and other accounting policies used that are relevant to an understanding of the financial statements.
	<u>Ind AS 1 - Presentation of financial statements</u> This amendment aims to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant accounting policies' with a requirement to disclose their 'material accounting policy information' and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. Consequential amendments have been made in Ind AS 107.
	<u>Ind AS 8 - Accounting policies, changes in accounting estimates and errors</u> This amendment provides a clear definition of accounting estimates and clarifies the distinction between changes in accounting estimates and changes in accounting policies/correction of errors. It also, explains the difference between estimation techniques and valuation techniques by way of examples to provide clarity.
	<u>Ind AS 34 - Interim financial reporting</u> This amendment substitutes the words 'significant accounting policies' with the words 'material accounting policy information' consequential to the amendments to Ind AS 1 as stated above.

Statutory Reserve as per Section 45-IC of the RBI Act, 1934
Statutory Reserve represents reserve fund created pursuant to Section 45-IC of the RBI Act, 1934 through transfer of specified percentage of net profit every year before any dividend is declared. The reserve fund can be utilised only for limited purposes as specified by RBI from time to time and every such utilisation shall be reported to the RBI within specified period of time from the date of such utilisation.
Capital Redemption Reserve (CRR)
Capital Redemption Reserve represents reserve created pursuant to provisions of erstwhile Companies Act, 1956 by transfer of an amount equivalent to nominal value of the Preference shares redeemed. The CRR may be utilised by the Company, in paying up unissued shares of the Company to be issued to the members of the Company as fully paid bonus shares in accordance with the provisions of the Companies Act, 2013.
General Reserve
General Reserve is created through annual transfer of profits at a specified percentage in accordance with applicable regulations under the erstwhile Companies Act, 1956. Consequent to introduction of the Companies Act, 2013, the requirement to mandatorily transfer specified percentage of net profits to General reserve has been withdrawn. However, the amount previously transferred to the General reserve can be utilised only in accordance with the specific requirements of the Companies Act, 2013.
Retained Earnings
Retained Earnings or accumulated surplus represents total of all profits retained since Company's inception. Retained earnings are credited with current year profits, reduced by losses, if any, dividend payouts, transfers to General reserve or any such other appropriations to specific reserve.

Note:

The management of the Company has decided to change the business model since the Investments in Equity instruments are held for long term strategic reasons and the instruments are measured at Fair Value through Other Comprehensive Income (FVTOCI) during the year for providing reliable and more relevant information. Since it is impracticable to restate the previously recognized gains or losses, it shall reclassify the instrument prospectively.

Fair value hierarchy	
	The following provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:
(i)	Quoted prices in an active market (Level 1): Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.
(ii)	Valuation techniques with observable inputs (Level 2): The fair value of financial instruments that are not traded in an active market (for example over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.
(iii)	Valuation techniques with significant unobservable inputs (Level 3): If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and investment in Alternate Investment Funds included in level 3. Fair value of Cash and Cash Equivalents, other Bank balances, Trade Receivables, Loans and other Current Financials assets, short term borrowing from body corporates, Trade Payables and Other current financial liabilities considered to be equal to the carrying amount of these items due to their short term nature.
